A Wave of Evil Arises

Our Savior Yeshua states that the end days will be like the days of Noach (Noah) - eating, drinking, and marrying. In other words, people carrying on life as usual before the disaster of the flood struck. But what else was going on in the days of Noach (Noah)?

The Scriptures state that all flesh had corrupted their way upon the earth; **Beresheet (Genesis) 6:12**; that the thoughts and intents of people's mind were continuously evil; **6:5**; and that the earth was filled with violence; **6:11**. We can look at our world today and see this same corruption infesting the flesh of every human heart today as well. In addition to this, Yeshua also stated that in the last generation lawlessness would abound, and that the love of many would grow cold; **Mattit'yahu (Matthew) 24:12**.

We are clearly the last generation for anybody willing to face the reality of our current world. But most Americans, and perhaps the West in general, has chosen to bury their head in the sand and pretend that all is well. That Islam is a religion of peace, that every person is a closet homosexual screaming to come out, or a suppressed female in a male body, or suppressed male in a female body, that heterosexuality is somehow against nature, the bible antiquated, and Chrislam, Christian Yoga, and Christian Rock the "in" thing, and modesty, self-control, common sense, and purity and intellectual integrity - out.

The reality is that we have been invaded, infiltrated, and taken over without the enemy having to fire off a single shot at us except in our public schools, in our churches, and in other places of public gathering. We as believers through our compromise with the world and culture around us have been continuously lowering God's standard lower, and lower, and lower with every passing generation until the Accuser and his devils no longer have to fight to enter into any school, home, church, or public square, or even to cross our borders. In fact, we have lowered God's standard so far as a "Christian" nation, that we as a nation welcome the Accuser as our special guest now.

We watch his movies in the theaters where every movie has an immoral sex scene, and where the name of “Jesus” is a cuss word. We go to his ball games where the National Anthem that glorifies the religious freedom God gave to Bible believers is disrespected.

We send our children to his public schools to be taught how to be atheists, evolutionists, and perverts. We use his technology, which is now ensnaring our children’s minds to where they cannot go to sleep without their cell phone turned on by their pillow. We wear his skin tight clothing, and swim in bikini’s while holding bible studies on the beach. We listen to his Christian rock, do his Christian Yoga exercises, do his Hindu meditation in our church services, and embrace Chrislam.

We teach in church not to have idols, and then go home to our television. We teach abstinence, but dress like any immoral person dresses. We teach fidelity, and divorce and remarry multiple times. We teach the importance of giving and then neglect the poor. We say we believe the bible from cover to cover, but then teach that half of it is done away – with the exception of tithing. We teach that we are not to adopt practices of pagan religions like has been done with Chrislam, yoga, and meditation, but then bring in the Christmas tree and easter bunny. We teach against abortion, but then hunt for easter eggs which at their origin were originally dipped in the blood of sacrificed infants.

True believers throughout history have died for the Gospel, but today’s church talks incessantly about being raptured out of here rather than having to face tribulation for their faith. We want to go to Heaven when we die, but we do not want to have to die to go to Heaven.

Is there anybody else out there who sees all these things and wants to return back to the actual first century Faith as first taught and practiced by our Savior Yeshua and His Apostles? Is there anybody out there who truly wants to be set apart from the world? Who is truly willing to suffer for the One who suffered and died for them? Is anybody out there tired of being part of compromised religious systems and human traditions?

If there is anybody out there still interested in the truth? Still interested in sexual purity. Holy attire, and non-assimilation? Anybody out there willing to give up their cell phones, their ball games, their video games, their eating out, and their movie going? Anybody out there interested in putting away their guns and dying for the Gospel, even if it means a torturous death at the hands of a Moslem or Nancy Pelosi? Anybody interested in truly coming out of the world, and out of the Babylonian religious system? Then please email us – we would like to meet you.

Reality is, before the righteous cleansing water of God’s Judgment covered the earth in Noah’s (Noah’s) day, *first* the earth was covered with a wave of evil. Even so today, before the earth is covered with the fires of God’s cleansing wrath and the Kingdom of Yeshua set up, this current wave of evil must also arise to cover the earth today as well. This wave of evil is not going to go away until the earth has been flooded with it.

The church by continuously lowering its standard in order to become more seeker friendly has lost its ability to restrain evil any more, and so God has raised up President Trump as a Political restraint of the evil in order to postpone the wave to its proper timing. But once he leaves office, all restraint of evil will have been fully removed, both religious and political, and the evil at that time will come in like a flood that according to **Daniel 7:21,25; 8:24** will prevail against the saints of Yehovah and destroy them (so much for the rapture lie). Are you going to be ready? Do you have the courage and fortitude to endure the evil that is to come?

Well, I doubt if any of us could endure it without our Savior's help and supernatural assistance, but are we willing to endure by standing for what is right? Even if it means our torture, imprisonment, or ultimate death? Are we willing to trust Him to take us through that? Or while thousands of believers throughout the earth today, and throughout history in the past, have already suffered and endured these things for Him, do we believe we will escape all this by being raptured out of here?

Yeshua said, "If they have persecuted Me they will persecute you"; Yehochanan (John) 15:20. That we will be hated by all nations for His name sake; **Mattit'yahu (Matthew) 10:22; 24:9**. Who is willing to take a stand against this world of the Devil's?; **Mattit'yahu (Matthew) 4:8,9; 2 Corinthians 4:4**. To keep themselves unspotted by the world; **Yaaqov (James) 1:27; I Yehochanan (I John) 2:15**, hating even the garment spotted by the flesh?; **Yehodah (Jude) 1:23**.

Who is willing to pray for those people the devil has deceived into persecuting believers? Who is willing to forsake all and follow Yeshua? Who is willing to bear their cross daily? To work on overcoming their own sin, more than pointing out everybody else's sin?

Who is willing to put others first, and be a servant to others? Who is willing to love their enemies, and bless those who curse them? Or at least willing to learn how to do these things? Write us.

Who is willing to do what the Catholic and Reform Catholic churches "declare" to be "Jewish things" and "legalistic" where the bible makes it clear they are "God's things" and "obedience? Who is willing to un-assimilate from the world, and from Catholic traditions to serve the Living God and His Son Yeshua? Write us.

The end is near. "Come out of her my people that you be not partakers of her plagues; **Revelation 18:4**".
