Study No.2

Earthquakes and volcanos, famines, and disease. The earth being struck by an asteroid and wobbling like a drunkard; **Yesh'yahu (Isaiah) 26:18-20**. The nations fighting and positioning for world dominion. These are the times we live in and will soon be living in, but Yeshua stated in **Matthew 24** that these things would only be the beginning of sorrows. After this, after the False Messiah arises and sets up his idol, they will then persecute us and kill us; **Daniel 7; Revelation 13**. The Prophet Daniel also writes about our end times, a time when the idol is set up; **Daniel 11:31; Matthew 24:15**, when many travel back and forth, and when knowledge exponentially increases; **Daniel 12:4**. It is also the time in **Daniel 8** that a conflict between President Trump and Syria and Iran is prophesied.

The Chess board is laid out, the pieces are on the table, and enough of the players on the board are identifiable today to where it can be predicted now with a reasonable degree of accuracy how **Daniel 8** is going to play out in our generation. In the Chart on the next page is the prophecy laid out in chart form concerning how I believe these prophecies are going to unfold over the next 4 to 5 years or so. Other items from our ministry website could be easily integrated with this chart, as well as with our You-tubes concerning my visions about disasters, both natural and man-made, to come. Those studies and You-tubes are: “Time Line 1, The 6000 Years from Adam to ...”; “Time Line 7, The 7 Year Tribulation”, and our You-tubes on “The NW Earthquake” that will destroy Portland Oregon, “The NW Volcano” that will likewise wreak destruction upon the NW, as well as “The Missile Strike” that will destroy New York, and the “Asteroid” that is going to strike the earth, and “Invasion of the NW by China”. I believe all of these things will begin to take place within the next 4 to 5 years. I believe the prophetic events on the chart below will also begin to take place within the next 4 to 5 years.

COMMENTARY

Forget Alexander the Great. Alexander the Great did not live in “the time of the end”; **Daniel 8:17**, in the latter end of Medo-Persia (Today represented by Syria and Iran); **Daniel 8:23**, and did not fly across the face of the whole earth without touching the ground; **Daniel 8:5**, or live at a time when many travel to and fro, and when knowledge has greatly increased; **Daniel 12:4**.

Iran and Syria will do something that will infuriate President Trump, and President Trump will respond in a way that utterly destroys Damascus Syria, and totally breaks Iran’s military power, and/or leader. President Trump then becomes exceedingly great in power and influence, but his enemies find a way to break his power so that he does not finish his 2nd term as President – possibly being taken out around Spring of 2024, but maybe sooner. After he is removed, America loses its super power status, and the UK, the EU, Russia, and Islam rise to power in the vacuum left by our absence. Out of these four, the EU under the control of the Vatican gains the pre-eminence and becomes the new super power through which the False Messiah will reign.

Concerning Revelation 17:7-11 the 5 kings that will fall are Ahkminijad, Assad, Trump, the Leader of the UK (currently Boris Johnson), and Putin. This will leave the EU, and Islam. The 8th king who arises out of the 7 therefore comes out of the EU or out of Islam. The 8th will therefore be the Pope who runs the Vatican (The Woman) who rides the Beast (the EU), which **Revelation 17:18** states is the great city that rules over the kings of the earth. The number of kings that will rule the earth at that time will be 10. I believe all of these prophecies will take place with the next 5 years.
