## Torah Thought of the Month

### *President Trump in Prophecy*

#### **Daniel 8**

*Newsletter No.1 of the 2020 Aviv Cycle*

*Study No.2*

Earthquakes and volcanos, famines, and disease. The earth being struck by an asteroid and wobbling like a drunkard; **Yesh'yahu (Isaiah) 26:18-20**. The nations fighting and positioning for world dominion. These are the times we live in and will soon be living in, but Yeshua stated in **Matthew 24** that many of these things would only be the beginning of sorrows. After this, they will then begin to persecute us and kill us; **Daniel 7; Matthew 24:8,9; Revelation 13**. The Prophet Daniel also writes about our end times, a time when the idol is set up; **Daniel 11:31; Matthew 24:15**, and that speaks; **Revelation 13:15**, and a time when many travel back and forth, and when knowledge exponentially increases; **Daniel 12:4**. It is also the time in **Daniel 8** that a conflict between President Trump and Syria and Iran is prophesied.

The Chess board is laid out, the pieces are on the table, and enough of the players on the board are identifiable today to where it can be predicted now with a reasonable degree of accuracy how **Daniel 8** is going to play out in our generation. In the Chart on the next 2 pages is the prophecy laid out in chart form concerning how I believe these prophecies are going to unfold within the next 4 to 5 years or so.

Other items from our ministry website could be easily integrated with this chart, as well as with our You-tubes concerning my visions about disasters, both natural and man-made, to come. Those studies and You-tubes are: “Time Line 1, The 6000 Years from Adam to ...”; “Time Line 7, The 7 Year Tribulation”, and our You-tubes on “The NW Earthquake” that will destroy Portland Oregon, “The NW Volcano” that will likewise wreak destruction upon the NW, as well as “The Missile Strike” that will destroy New York, and the “Asteroid” that is going to strike the earth, and “Invasion from the West by China”. I believe all of these things will take place within the next 4 to 5 years. I believe the prophetic events on the chart below concerning President Trump and Syria and Iran will take place even sooner, perhaps very soon.

The word "Glorious" in Daniel 8:9 comes from the Hebrew word "tseeb-ee". This comes from the root word "tsav" that contains the many nuances of "abundance", of "Multiple colors", and of military strength and influence, and so best describes the USA which is to the West.

This little horn of Daniel 8:9 pushes East, South, and to the land of "Tsav" (To the West), leaving the North as the origin of this little horn.

Therefore the little horn comes out of the EU in the North, with the USA being the land of "Tsav" – the land of abundance, many colors, and of great military strength and influence.

## COMMENTARY

Forget Alexander the Great. Alexander the Great did not live in “the time of the end”; **Daniel 8:17**, in the latter end of Medo-Persia (Today represented by Syria and Iran); **Daniel 8:23**, did not fly across the face of the whole earth without touching the ground; **Daniel 8:5**, and did not live at a time when many travel to and fro, and when knowledge has greatly increased; **Daniel 12:4**.

Iran and Syria will do something that will infuriate President Trump, and President Trump will respond in a way that utterly destroys Damascus Syria, and that totally removes Ahkminijad and Assad from power. President Trump then becomes exceedingly great in power and influence, but his enemies find a way to eventually break his power as well so that he does not finish his 2<sup>nd</sup> term as President.

After he is removed as President, America loses its super power status, and the 4 beast described in **Daniel 7:1-6**, that is, the UK, the EU, a Communist coalition or empire, and Islam rise to power in the vacuum left by our absence. Out of these four, the EU under the control of the Vatican gains the pre-eminence and becomes the new super power through which the False Messiah will reign.

Concerning Revelation **17:7-11** the 5 kings that will fall are Ahkminijad, Assad, Trump, the Leader of the UK at that time, and the leader of the Communist at that time. This will leave the EU, and Islam.

The 8<sup>th</sup> king who arises out of the 7 therefore comes out of the EU. The 8<sup>th</sup> will therefore be the Pope who runs the Vatican (The Woman) who rides the Beast (the EU), which **Revelation 17:18** states is the great city that rules over the kings of the earth. The number of kings that will rule the earth at that time will be 10. I believe all of these prophecies will likely take place within the next 5 years, though this time frame is only an educated guess.
