Two Witnesses to be Revealed - Fall 2020

Sound incredible? They said that Yeshua would come in the year 2000 because they believed the year 2000 was the year 6000 from Adam. I told them they were wrong.

They then said He would come in 2007. I told them they were wrong then as well. They then said 2012. I told them they were wrong at that time also. Then came along the erroneous "Blood Moon" frenzy, this time I told them they were wrong, and produced a You-tube video to demonstrate the fallacy of their sensationalist claim. (*This video can be viewed on our website*)

I have been telling people that the year 6000 is Fall 2027 to Fall 2028 from the beginning, even since the 1990's, and none of these leaders have believed. But the Scriptures teach plainly that the year 6000 lands in the Gregorian year 2027/28 with no guess work and no gaps. Just solid Scripture. (*See Time Line 1, The 6000 Years from Adam" for more on this topic*)

The ancient teachers of Israel prophesied that the Suffering Servant Messiah Ben Yoseph (the Son of Joseph) would come on the 4th day from Adam – the year 4000, and He did – in the form of Yeshua. And the same Biblical Time Line referenced above, and available for free on our website, shows the year 4000 to land solidly in the Gregorian year 27/28 (Fall to Fall) as well. (*See our study entitled "What the Rabbi's Don't Tell You about Messiah" for more on this topic*)

The ancient teachers of Israel likewise predicted that the Conquering King Messiah Ben David (the Son of David) would come in the year 6000. They prophesied correctly concerning Yeshua as Ben Yoseph, so we can have confidence that they also prophesied correctly concerning Yeshua's soon return in His role as Ben David (the Son of David).

The Catholics, and Reform Catholics (Protestants), have prophesied, and prophesied, and prophesied over and over again and been wrong every single time because they hate God's Law, reject His prophetic feasts, and disdain anything that appears religiously Jewish.

Messianics, likewise, being prone to sensationalism have also missed the mark, thereby putting their trust in Hebrew Roots teachers who have little to no Jewish background, and/or only 5 to 10 years of Torah study under their belts and who are still tainted with Protestant ideas they had before becoming Messianic, and so are often led astray by every wind of doctrine.

But yeah, let God be true and every man a liar. Yeshua said salvation is of the Jews. He raised up 12 Jews to represent Him in the 1st Century. And only Jews led the community of believers in the first 15 years or so after the resurrection.

Likewise, the two witnesses and 144,000 will be Jews (that is, of the 12 tribes) as well, raised up to cast down the lies and false doctrines of the Catholic and Protestant theologies, and to remove the false

Shepherds who continuously muddy the waters that God has given His sheep to drink of. Yeah, the time for their appearance and prophesying is nigh at hand.

The year 6000 from Adam is only ~8 years away. That means serious things are going to be taking place in the earth. Catastrophes, earthquakes, pestilences, lawlessness, wars, and political upheaval to no end.

In fact, in America alone within the next 8 years New York is going to be struck by a nuclear missile shot at it from the south. The NW is going to be devastated by a major earthquake and volcanic eruption. China is going to invade America from the west, and we will be struck by what appears to be an asteroid.

But for most American believers, including Messianics, everything goes on as usual as if we are not on the edge of major, worldwide, earth shaking events. As if we are not the final generation before our Savior Yeshua's return.

But we are here. The end has arrived. And ~Fall of 2020 is when these earth shaking events are going to begin taking place. Could I be wrong? No. Not if the 70th week prophesied by Daniel (the prophesied final 7 year covenant; **Daniel; 9:27**), initiates 7 years prior to the year 6000. (See *Time Line 19, "The 70th Week of Daniel"*).

The year 6000, as clearly laid out in Scripture, absolutely initiates in Fall of 2027 at the 120th Jubilee from Adam. The ancient teachers of Israel prophesying about Messiah's first coming were 100% correct, and so there is no reason to believe them to be incorrect about His return in the year 6000. And 7 years prior to the year 6000 is the most logical place for the final 7 year covenant prophesied by Daniel to take place.

On this last note, this is my educated guess, and so yes, though the Scriptures concerning the year 6000 are absolutely correct, and the predictions of the ancient teachers of Israel have been 100% correct, my educated guess on when the final 7 year covenant will initiate could be incorrect. But can anybody come up with a more logical time for this to initiate than 7 years prior to Yeshua's return?

And no, please don't go Catholic on me by saying nobody knows the day or the hour of His coming. Yeshua did not say nobody would know the year of His coming. And the phrase, "nobody knows the day or the hour" is a Hebrew idiom stated by Yeshua in inference to Yom Teruach – the 7th New Moon, of which nobody ever knows with any absolute certainty which hour of which day the 7th New Moon will be sighted.

You don't believe me? Look. The Word of God states in **I Thessalonians 4:13-16** that at Yeshua's return the dead will be resurrected. His Word states in **I Corinthians 15:51,52** that this will occur at the sound of the "Last Trump". And in Judaism, it has been taught for over 2000 years, even before Yeshua's arrival, that the "Last Trump" (representing the fall of Jericho in the past, and of the fall of Babylon in the future) is blown on Yom Teruach (the Day of Trumpets). Which means what?

Which means that Yeshua will return on Yom Teruach (the Day of Trumpets) – the day that the "Last Trump" is blown, and which will occur that year on a day, and at an hour of that day, that will be impossible for us to foretell in advance.

And what do the Scriptures state concerning this? It states that concerning those who are ignorant of the times and seasons (the Appointed Times and their Seasons), that this day will overtake them like a thief in the night, but that this day will not overtake as a thief in the night those who are NOT ignorant of the times and seasons (the Appointed Times and their Seasons); **I Thessalonians 1-4**.

His coming will also take place AFTER the tribulation; **Mattit'yahu (Matthew) 24:26-30**. So no, nobody is going to be raptured out of here except those duped into believing the lie that is to come;

2 Thessalonians 2:9-11. *(That is, the UFO deception that is going to be created by the fallen angels to counterfeit Yeshua's return).*

But before then, what happens? The two witnesses of Revelation 11 happens. And the UFO deception will then happen when? Likely sometime around the time the False Messiah successfully kills the 2 witnesses.

If you would like to see the 7 year covenant laid out in detail along with the projected timing of end time events, visit our website and click "*Time Line 7*" in our Time Line section.

This calendar starts the 7 year covenant upon appearance of the two witnesses on Yom Teruach (Day of Trumpets) 2020 and ends on Yom Teruach (Day of Trumpets) 2027.

And when they come, they are coming to call the earth to repentance, and they will do so with plagues and judgments, and with restoration of the true Gospel, made up of both the Torah and Testimony.

Yeshua came the first time with miraculous healing power to save, the miraculous healing powers of which the counterfeit messiah (the Anti-christ) will replicate at his appearance.

Yeshua will come this second time with miraculous judgments in order to call the world to repentance to be saved. The message of which the counterfeit messiah (the Anti-christ) will declare to be hateful as he presents himself as the god of "love", and calls people to unify against the true believers who will be likewise labeled as hateful, backwards, outdated, and legalistic.

The counterfeit will not be revealed though until after the two witnesses appear, and the two witnesses when they appear will prophecy and pronounce judgments upon the earth, and call the inhabitants of the earth to repentance for 1260 days.

This is the equivalent of 42 thirty day moon cycles. Why thirty day moon cycles, instead of the current 29.53 day moon cycles? Because it is at this time when the earth is going to begin wobbling like a drunkard; **Yesh'yahu (Isaiah) 24:19,20**, causing the orbit of the moon to be off until it falls into the corrected and restored 30 day pattern of ancient times around the time the two witnesses are killed.

And because the moon and sun orbits will have changed (*the sun will be restored back to 360 day cycle as well - see Time Lines 20 and 22*) the counterfeit messiah (the Anti-christ) will seek to change the calendar again even as the spirit of the counterfeit messiah (the Anti-christ) changed the calendar before; **Daniel 7:25**. And the true believers will be persecuted and killed, and our power and influence in the earth broken; **Daniel 7:21; 8:24; Revelation 13:7**.

Are you ready for the things to come? If you are like most American believers, possibly not. But you need to be, for the time is short. Prepare ye the way, for Yeshua is coming soon, and He will not tarry.
