The Soonest and Latest that the Appointed Times can Occur Based on Past Historical Observation, and Under Current "pre" Yesh'yahu (Isaiah) 24:18b-20 Conditions

- *The soonest Pesach can occur in any given year is Mar. 26. The latest Pesach can occur in any given year is: Apr. 27. (We appear to be entering Yesh'yahu 24:18-20 phase where crop ripening times could be altered)
- The soonest Shavuot can occur in any given year (Adjusted for Aviv style Omer count) is: M-y 18 (M-y 14 by Hillel). The latest Shavuot can occur in any given year (Adjusted for Aviv style Omer count) is: Jun. 20 (Jun. 13 by Hillel).
- **When the 1st of Unleavened Bread falls on S-nday (S-turday night to S-nday day), the First Fruits are waived the same day; **Yehoshua (Joshua) 5:10,11** (See Time Line 13, On Counting the Omer).
