Donald Trump And the United States, and Israel, in Prophecy

The Timing of Fulfillment of the Prophecies of Daniel

*Concerning the Idol in Nebuchadnezzar's Dream and the 4 kingdoms it represents, and that is discussed in different ways in **Daniel 2:32-43; 7:1-8,17-20; 8:1-14,20-22.***

Daniel 2:28 declares: "...There is a God in Heaven who reveals secrets, and he has made known to King Nebuchadnezzar what will take place in the latter days".

Daniel 8:17 declares: "Understand son of man, that the vision refers to the time of the end".

And concerning the whole book of Daniel:

Daniel 12:4 "But you Daniel, shut up the words and seal the book until the time of the end. At that time many shall travel back and forth, and knowledge shall be increased."

Daniel 12:9 "But go your way Daniel, for the words are closed up and sealed until the time of the end".

Daniel 12:13 "But you, go your way until the time of the end, for until then you shall rest, and then will arise to your inheritance at the end of these days."

Summary Conclusion: Daniel arises (is resurrected) at the end of these days. The resurrection takes place at Yeshua's return, and so these "latter days" and "end of days" is referring to those prophetic events that take place just prior to Yeshua's return, and to no time prior.

So Alexander the Great who died over 2300 years ago does not qualify concerning the fulfillment of any of these prophecies of the Book of Daniel.

And it is a time where the ability to travel has greatly increased, and where knowledge has greatly increased.

That is, these prophetic events are to take place in our generation, and I suggest, will begin to be fulfilled this year, the Fall of 2024 of the Gregorian calendar.

The Prophecy Daniel 8

8:5 "And as I was considering, a male goat came from the West across the surface of the

whole earth, without touching the ground. And the goat had a notable horn between his eyes".

8:6 *"Then he came to the ram that had the two horns which I had seen standing beside the river, and ran at him with furious power".*

8:7 *"And I saw him confronting the ram, and he was moved with rage against the ram, struck the ram, and broke off the ram's two horns". And there was no power in the ram to be able to stand against the goat; but the goat cast the ram to the ground and trampled him. And there was nobody who could deliver the ram from the goat's hand".*

8:8 *"Therefore the goat grew very great; but when he became strong, his large horn was broken, and in place of the large horn, 4 notable horns came up toward the 4 winds of heaven".*

8:20 *"And the ram which you saw that had the two horns, they are the kings of Media and Persia".*

8:21 *"And the male goat is the kingdom of Greece, and the large horn that is between its eyes, is the 1st king".*

The Interpretation

Daniel 8:5 *"And as I was considering, a male goat came from the West across the surface of the whole earth, without touching the ground. And the goat had a notable horn between his eyes".*

Horns in end times prophecy represent military powers that have missile technology. This verse describes a king in the West who sends a missile or missiles across the entire face of the earth without touching the ground.

If you take a globe, and place the East coast of the United States on the extreme left side of it, and then look across the face of the globe to the extreme right side of it, you will see Iran on the extreme right side of the globe.

Daniel 8:21 *"And the male goat is the kingdom of Greece, and the large horn that is between its eyes, is the 1st king."*

The male goat is the United States military in the likeness of the culture of ancient Greece^{See} Note on Page 6, and the horn between its eyes is President Donald Trump.

As a goat, he has a stubborn personality, and will buck back at anyone who confronts him.

As President, he shares his power with two other branches of government, but in the event of war, the president has absolute power as a king to defend the United States and the Constitution in times of war as the Commander in Chief of the U.S. military.

So something has taken place that causes the United States to go to war against the ram with the 2 horns. This causes him to have kingly power and authority at this time. And he is the 1st king.

That is, with all the "horns" in prophecy describing end times military leaders, President Trump

will be the "1st King" that causes the domino effect of end times kings to begin rising and falling.

That is, he is the 1st, who is then followed by the 4, 1 of the 4 of which is the 4th, 10 horned beast, which is then followed by the 1 little horn which arises from among 1 of the 4, as described in various ways throughout the book of Daniel.

So President Trump sends a missile across the face of the whole earth without touching the ground, and breaks off the two horns of the ram.

Daniel 8:20 "And the ram which you saw that had the two horns, they are the kings of Media and Persia".

The Medes are closely related to the Persians, like the English are related to the British. Modern day Iran is composed of the same territory of the ancient homeland of the Medes and Persians.

So the ram, representing the ancient Medo-Persian peoples of Iran, with its modern day Syrian proxy of Hezbollah, makes up the modern "2 horned" version of the ancient Medo-Persian empire.

Daniel 8:6 "Then he came to the ram that had the two horns which I had seen standing beside the river, and ran at him with furious power".

And so something takes place that causes President Trump to become furious with Iran and Syria, and so strikes Iran and Syria with absolute fury of power.

Daniel 8:7 "And I saw him confronting the ram, and he was moved with rage against the ram, struck the ram, and broke off the ram's two horns". And there was no power in the ram to be able to stand against the goat; but the goat cast the ram to the ground and trampled him. And there was nobody who could deliver the ram from the goat's hand".

*The strike against Iran and Syria is so great that is all any nation can do is stand by and watch as the military powers of Iran and Syria are annihilated. And it is at this time that I believe Damascus, Syria will become a heap of rubble; **Yesh'yahu 17:1**, indicating that the strike is likely nuclear in nature.*

Daniel 8:8 "Therefore the goat grew very great; but when he became strong, his large horn was broken, and in place of the large horn, 4 notable horns came up toward the 4 winds of heaven".

As a result of this, President Trump grows very great in power and in influence throughout the earth, and as such, causes "America the Great" to become "great again" as a result.

What act of war did Iran and Syria commit against the United States?

Well, we do not know. However, back between the years of 2002 and 2011, I had a series of night visions and day visions, the visions of which are listed on our website in the dreams and visions prophecy section.

And I do not know the timing of the visions. However, if I were to guess the timing of any of them as related to Iran and Syria, I would guess it to be the night vision given to me in 2006 concerning a missile strike on New York from the South.

In the vision of the night (not a dream, but a vision), I saw a missile come up from the South. I was facing North, and behind me was a body of water, and to my right a mass of land, that on the other side also had a body of water.

And as I looked North, I heard a tremendous, ear shattering roar, and when I looked up I saw a missile traveling so fast that it crossed the entire horizon in just a matter of seconds and then struck somewhere in New York. If I were to guess the speed, it seemed like it must have been going at least 12,000 miles per hour. (Please refer to the actual vision on our website for the exact details)

The Connection Between Daniel, and Israel, and the Temple

The Abraham Accords

Now with Iran and Syria with Hezbollah and other Iranian proxies out of the way, Trump is able to revive the "Abraham Accords" and easily persuade the Arab nations, and other Muslim nations, to join the Abraham Accords to create unprecedented peace in the Middle East.

These Accords would be confirmed by a Prince who would agree to abide by the Abraham Accords for a period of 7 years; **Daniel 9:27**.

The Prince Who is to Come

According to **Daniel 9:27**, the Prince who is to come is a descendant of those who destroyed Jerusalem and the Temple in AD 70 of the Gregorian calendar, as it is written, "*And the people of the Prince who is to come, shall destroy the city and the sanctuary...*"; **Daniel 9:26**.

At first glance, it would appear that it would be a Prince out of Rome, for it was Rome that destroyed Jerusalem and the Temple, for it was the Roman military who did the destruction. However, upon closer inspection of history, this is not so.

Rome was well known for using proxy armies made up of natives gathered from various regions of the Roman empire. In the current case, the Romans when attacking Jerusalem and destroying the Temple, used natives from within her empire that today are the followers of Islam. So the Prince will likely be an adherent of Islam.

Rome is using the same tactics today in America through its proxy armies of BLM, Antifa, Socialism, and other movements headed by traitorous citizens/natives within America.

And when it states that this Prince will "confirm" the covenant - as opposed to "creating" a covenant, it means that it is a covenant that has already been created, that is already in place, that is already active, but which he is agreeing to "confirm" and enter into for a 7 year period.

However, half-way through that 7 year agreement, the covenant will be broken; **Daniel 9:27**. That covenant that this "Prince" agrees to enter into I believe will be the revived version of the "Abraham Accords".

The Temple

So with Iran and Syria and their proxies out of the way, and as a direct result of the agreement of these Islamic nations through the Abraham Accords to be at peace with Israel for a period of 7 years, the Temple is rebuilt.

It is a Temple that has no outer court. A Temple that if built today in the location where they believe the former Temple to have stood, would be a Temple that stands next to the Dome of the Rock - with the Dome of the Rock in the precise location where the "outer court" of the Temple would have been located if the Dome of the Rock were not presently already there.

And at that time the sacrifices will once again be offered at the Temple; **Daniel 8:13,14**.

The Breaking of the 7 Year Covenant

So why is this covenant broken midway through? Because President Trump was the restraining factor that made the confirmation of the Abraham Accords by the Prince possible.

But remember, **Daniel 8:8** states that the horn of the male goat will be broken. So sometime within 3 years or so of the "confirmation" of the Abraham Accords by the Prince, President Trumps military power and influence will be broken.

Either his 4 year term ends, or he dies or is killed - we do not know how this happens. Nevertheless, his military "kingship" is brought to an end by whatever means, and the 4 horns, the 4 military powers rise to quickly fill the void, and as such, see no need to continue honoring the 7 year Avraham Accord agreement.

Levite

Note: *On the United States as the "Kingdom of Greece":*

Even as the latter end of the Medo-Persian empire is very much alive and active in our day via Iran, and its Syrian proxies and such, even so is the kingdom of Greece.

The modern kingdom of Greece today however, is not in the nation of Greece over in Europe - but here in the United States of America.

The United States, like the Greeks were, is militarily powerful, is steeped in sports, entertainment, and theater, is heavily influenced by homosexual agenda - and though founded as a Republic, has become a democracy like ancient Greece.

Likewise, the Greeks worshiped the goddess Diana who wore a helmet, and held a sword and a shield, while the United States has the statue of Liberty, who wears a crown, and holds a book and a torch. The same goddess, in different clothing.

Like the ancient Greeks did, the United States has the largest library in the world, and is heavily vested in the pursuit of knowledge. Its government buildings are of Greek architectural design, and like the Greeks, the women of America have much influence in the culture and politics of the nation.

Abortion was also an accepted practice of the Greeks, pornography freely displayed, and as the Greeks were able to successfully Hellenize the world in their day, even so, the United States has successfully Americanized the world in our day.

For the United States, like ancient Greece, is an assimilating culture. That is, it is its nature to take over and/or transform other cultures to make them to considerable extent, into their own image and values.

Divorce and remarriage, pedophilia, prostitution, transvestism and infanticide, are also practices becoming rampant in America, as it was also rampant in Greek culture.

So America, though having strong biblical roots, has become an absolute modern version of ancient Greece in many ways - has become, a "latter end" of the kingdom of Greece, even as today's Iran with its proxies in Syria and elsewhere have come to be a "latter end" of the ancient Medo-Persian empire.
