Blood for Blood

Holy Judgment from a Holy God Against Abortion

Why At Least 50 Million Americans Must Perish

Newsletter No.11 of the 2020 Aviv Cycle

It is written in **B'midbar (Numbers) 35:31,33**,

35:31 "...you shall take no ransom for the life of a murderer who is guilty of death, but they shall surely be put to death."

35:33 "...you shall not pollute the land where you are, for blood defiles the land, and no atonement can be made for the land for the blood that is shed upon it except by the blood of the person who shed it."

The Scriptures make clear that nothing can atone for the land concerning the shedding of innocent blood other than by the death of the person who shed that innocent blood.

Over 60 million abortions of innocent children have taken place in this nation since the ruling of Roe vs Wade. As such, according to Scripture, and the Scriptures cannot be broken, then at least 50 million Americans who have likely participated in the slaughter of these innocents will have to die for their sin of murder sometime between the time they committed the murder, and the time Yeshua returns.

That is, you have the mothers who offered up these innocents to be slaughtered, then you have the doctors who actually committed the murder, and you have their assistants who acted as accomplices to the murder, and the boyfriends and relatives who badgered the women into making their murderous decision against the innocent life in their womb. Then you have those who purchase and profit off the body parts of the murdered children.

If each woman has had an average of 2 abortions, that would make at least 30 million mothers who are guilty, and then add to that all of the doctors, medical assistants, and government officials legalizing these murders and others, then the total to have participated in this murderous industry over the last 40 years could easily be 50 million or more.

The only solution is for the guilty to repent and receive from Yeshua forgiveness of their sins, or to die for their sin. But because most of the guilty will not repent of their murders – war, disease and famine, and earthquakes, volcanoes, and asteroids, will come to this land until it is cleansed of its blood guilt.

Woe to the inhabitants of this nation for the destruction that is to come upon it for having forsaken the sanctity of life and freedoms that had been given to it through the God of Heaven and Scriptures it once honored, but that it has now exchanged for murder of the innocent, sexual perversion, and oppression of the upright. Destruction of NY and of the West Coast will be its reward. Invasion from China will be its reward. Desolation of the land will be its reward – ***Unless it repents.***

I mentioned in the prior Newsletter that I do not believe Covid to be a judgment from God (which would effect only the guilty), but an evil of man (which effects people randomly and indiscriminately). However, I do believe that the Covid and issues of the day concerning abortion and homosexuality are being allowed and used by God to separate His people from the wicked for the judgment of God to come.

The church and Christianity, and even the Hebrew Roots/Messianic communities are far from perfect, but most of the people in these communities are clearly and strongly against the murder of the innocent in the womb, are law abiding, and clearly against the life destroying abomination of homosexuality.

So this time of turmoil is what God is using to separate His people from those He is preparing to destroy. But not because we as “Christians” or as “Messianic” believers are so righteous – for we are far from righteous compared to our ancestors and compared to what is required of us; but because the non-believers have become so extremely lawless, murderous, greedy, and perverted.

This is why He is separating us out.

But be warned, that we also as a community of believers also have many things that we need to repent of, and must repent of; and that we too as communities will be put through the fire to be refined and purified of our own compromising ways.

So repent, and come out of her my people that you be not partakers of her plagues. Come out of the blue states, come out of the blue cities and sanctuary cities, come out of the school systems, and ultimately, come out of your own biblically compromising ways. For her plagues are coming quickly – and not only upon this nation, but also upon the whole earth.
