## Time Line 12

### Wednesday or Friday Crucifixion, Was He Really in the Grave 3 Days?

(Keyed to Time Line 1, Line 47; and Time Line 4)

The question has arisen at a Pesach concerning whether our Savior died Friday afternoon and Resurrected Sunday morning or not. It is actually not a new debate, but it is an odd debate in that the evidence is very clear which day it was, once it is properly sorted.

The difficulty is that many people are not trained in sorting evidence, and so have a tendency to gravitate towards one set of facts in support of a position, while ignoring or discarding facts that go contrary to that position. But concerning the Scriptures, we are dealing with the Word of the Eternal One, which is true, and so the objective is not to pick some Scriptures while ignoring or discarding others, but to find the position that harmonizes all of the Scriptures related to the topic at hand.

In the case of the Gospel records we have 3 compilations of eye witness testimony between Matthew, Mark, and John, and one compilation of investigative testimony gained from testimonies gleaned through interviews conducted by Luke.

The testimonies of true witnesses by nature always agree concerning a common thread of events or thought, and vary on the details depending on where they were located at the time of the events, how well they remembered the details, what details at the time seemed important to remember from that person's perspective, and so on.

In the current discussion, we have our Savior Yeshua saying He would be in the heart of the earth for "3 nights and 3 days"; **Mattit'yahu (Matthew) 12:40**. Later He states that "after" 3 days He would arise; **Mark 8:31**. Then there is a statement by a 3<sup>rd</sup> party witness who remembered His statement about being resurrected "after" 3 days; **Mattit'yahu (Matthew) 27:63**. In all of the other accounts it is stated that He would arise not "after" 3 days, but "on" the 3<sup>rd</sup> day; **Mattit'yahu (Matthew) 16:21**; **Mark 10:34**; **Luke 18:33**.

Seemingly contradictory on the surface, but easily resolved by recognizing that the "3 nights and 3 days" and "after 3 days" statements were given in the context of Hebrew time (dusk to dusk/Night-day, night day) and that the statements of rising "on" the 3<sup>rd</sup> day were given in context of Roman time (midnight to midnight). Chart 1 is provided to help visualize how these differing statements fall on the days of the week.

**Yehochanan (John) 20:1** states that when Miriam (Mary) arrived at the tomb on the 1<sup>st</sup> day of the week "it was still dark". This indicates that our Savior arose from the grave sometime at night, "before" sunrise S-nday.

To further narrow down the frame of time for His resurrection, by arising on the "3<sup>rd</sup> Roman Day", His resurrection likewise would have occurred prior to midnight, which in turn narrows the time of His resurrection down to sometime before midnight S-turday. And because this 3<sup>rd</sup> Roman day was after completion of the 3<sup>rd</sup> Hebrew day, His resurrection is further narrowed down to sometime after sunset Sat-rday.

If we count backwards from here to determine the first night He was placed in the tomb, we end up at W-dnesday night for His first night in the tomb.

Here is a second chart below showing this from a simplified perspective on how the Hebrew time frame (after 3 days) and Roman time frame (on the 3<sup>rd</sup> day) both end on Sat-rday night (after sunset and before midnight).

Chart 2	
<b>Hebrew Time</b> (After 3 days) Mt.12:40, 27:63; Mk.8:31	<b>Roman Time</b> (On the 3 <sup>rd</sup> day) Mt. 16:21; Mk. 10:34; Lk. 18:33
W-dnesday dusk to Th-rsd day dusk (night and day 1) Th-rsd day dusk to Fr-day dusk (night and day 2) Fr-day dusk to Sat-rday dusk (night and day 3) ----- "After" the 3 <sup>rd</sup> night & day - lands on Sat-rday night	W-dnesday midnight to Th-rsd day midnight Th-rsd day midnight to Fr-day midnight Fr-day midnight to Sat-rday midnight. ----- "On" the 3 <sup>rd</sup> Roman day - lands on Sat-rday night
Result? Both times reflected in our Savior's words end the same night - Sat-rday night before midnight. With this, the Scriptures are harmonized.

Compare this to the Catholic/Protestant dating of Fr-day night to S-nday morning scenario in Chart 3 which is at most only 2 nights and 1 day, and ignores our Savior Yeshua's 3 night 3 day statement in **Mattit'yahu 12:40**, and supporting statements in **Mattit'yahu 27:63** and **Mark 8:31** where it is repeated that He would arise "after" 3 days.

Original Edition 4/25/2014, Current Edition 7/13/2021 Jews for Yeshua Ministry						

Here with the inclusive dating (the treatment of partial days as full days) you have 2 nights and 1 day counted as 3 full days, so you essentially have to discard our Savior's words concerning the passage of 3 nights and 3 days before His resurrection, as well as the two supporting verses to His words to make the Fr-day to S-nday count work.

However, when He states that He will be in the heart of the earth for 3 nights and 3 days, and states later that He will arise "after" 3 days, we have a minimum 72 hour period that must pass before His resurrection can occur; and the completion of that minimum 72 hour period must fall on the 3<sup>rd</sup> day of passage by the Roman count – and it does.

This explanation likewise explains how the women could purchase spices after a "Sabbath" while simultaneously preparing those spices before a Sabbath. It is because two Sabbaths (one by tradition, one by commandment), covering a 3 day period, are being referenced.

Let me explain (*you can use "Chart 4" at the end of this study to follow along with this explanation*). In the Hebrew Scriptures, there are 3 times that the Eternal One refers to as Sabbaths.

They are:

- 1- The 7<sup>th</sup> day of the week,
- 2- Yom Kippur – which falls in the 7<sup>th</sup> Moon, and
- 3- The 7<sup>th</sup> year of rest for the Land

All 3 fall in a pattern of seven; the 7<sup>th</sup> day, the 7<sup>th</sup> moon, and the 7<sup>th</sup> year.

One is rest from toil of the land (rest from labor); the second is rest and corporate deliverance from sin, and the third, is rest for the Land.

All clearly prophetic of things that will be enjoyed and experienced in full during the Millennial kingdom – the 7<sup>th</sup> Millennium from Adam.

High Days however (for example like the 1<sup>st</sup> and 7<sup>th</sup> days of Unleavened bread), though referred in the Hebrew Scriptures as days of public, set-apart, assembly where no routine work or employment is to be done; are not called Sabbaths by the Eternal One.

Judaism, including the Judaism in our Savior Yeshua's day, did refer to High Days as sabbaths because they are days where work, and the selling and buying of merchandise, was forbidden, the same as is forbidden to be done on the Sabbath; but this reference to the High Day as a sabbath is by way of tradition, not by way of Word spoken by the commandment of the Eternal One.

But once we recognize that there are two types of sabbaths spoken about in the Brit Chadasha (New Testament) concerning our Savior Yeshua's death and resurrection (one by tradition and one by command), the mystery is solved concerning how the women could both purchase spices after a "High Day" sabbath, while at the same time prepare spices before the Sabbath, and how this process would cover the 3 night and 3 day period that our Savior stated He would be in the heart of the earth.

As it is written in the Gospel of **Mark 15:42-16:1**,

**15:42** Now when evening had come, because it was the Preparation Day, that is the day before the sabbath,

**15:43** Yoseph of Arimathea, a prominent council member, who was himself waiting for the Kingdom of Yehovah, coming and taking courage, went in to Pilate and asked for the body of Yeshua.

**15:44** Pilate was amazed that He was already dead, and summoning the centurion, he asked him if Yeshua had been dead for a while.

**15:45** And when he found out from the centurion, he granted the body to Yoseph.

**15:46** Then Yoseph bought fine linen, took Yeshua down, and wrapped Him in the linen. And he laid Him in a tomb which had been carved out of the rock, and rolled a stone against the door of the tomb.

**15:47** And Miriam (Mary) Magdalene, and Miriam (Mary) of Yoses observed where Yeshua was laid.

So He was placed in the tomb on the 14<sup>th</sup>, on the Preparation Day (*that is, the day the Pesach lambs are killed; Mark 14:12*), which we know is followed by the 1<sup>st</sup> High Day of Unleavened Bread, the first day of set-apart public assembly taking place on the 15<sup>th</sup> day of the Moon. And it, as a High Day, was considered by way of tradition, to be a sabbath; **Mark 15:42** above.

As it is written in **Yehochanan (John) 19:31**,

**19:31** Therefore, because it was the Preparation Day, that the bodies should not remain on the cross into the sabbath (for that sabbath was a High Day), the Jews asked Pilate that their legs might be broken, and that they might be taken away.

Then in **Mark 16:1** it is stated that after this sabbath (the High Day of the 15<sup>th</sup>) was past, that the women purchased spices for our Savior's anointing.

As it is written,

**16:1** Now when the sabbath was past, Miriam (Mary) Magdalene, Miriam (Mary) of Yaaqov, and Shalome, bought spices that they might come and anoint Him.

It was also on this "sabbath" on this "High Day", that is, on this day following the

"preparation day" that the tomb was made secure; **Mattit'yahu (Matthew) 27:62** (27:57-65 for context).

So if this High Day is the 15<sup>th</sup> day of the Moon, then the day after this "sabbath" where the women bought the spices was the 16<sup>th</sup> day of the Moon, and a regular work day – thus the reason they were able to buy the spices.

But then we go to the Gospel of **Luke 23:54-56** where it is written,

**23:54** That day was the Preparation day, and the sabbath drew near [so it is the 14<sup>th</sup>]

Preparation day meaning: the 14<sup>th</sup> day of the moon when the lambs were killed; **Shemot (Exodus) 12:6; Mark 14:12; Luke 22:7,8.**

**23:55** And the women who had come with Yeshua from Galilee followed after, and they observed the tomb and how His body was laid. [so it is still the 14<sup>th</sup>]

**23:56** Then they returned and prepared spices and fragrant oils. And they rested on the Sabbath according to the commandment.

Which Sabbath? The "High Day" sabbath, or the 7<sup>th</sup> day Sabbath?

To answer that we need only ask, "What day did they buy the spices on? On the 16<sup>th</sup> as **Mark 16:1** quoted earlier clearly demonstrates.

And on what day did they prepare those spices before?

They prepared them before the Sabbath that was followed by the first day of the week, and that was according to the commandment given by the Eternal One; which is none other than the 7<sup>th</sup> day Sabbath.

And as it is written in **Luke 24:1**,

**24:1** Now on the 1<sup>st</sup> day of the week, very early in the morning, they, and certain other women with them, came to the tomb bringing the spices they had prepared.

So if they bought and prepared the spices on the 16<sup>th</sup> day of the Moon and then rested on the on the 7<sup>th</sup> day Sabbath (the one commanded by the Eternal One), and then brought those spices to the tomb on the 1<sup>st</sup> day of the week (S-nday) "after" the 7<sup>th</sup> day had passed, then the 1<sup>st</sup> day of the week was the 18<sup>th</sup> day of the Moon, and the 7<sup>th</sup> day Sabbath, the 17<sup>th</sup> day of the Moon.

This harmonizes the Scriptures very well, not only because of the harmonization between the Roman midnight to midnight count with the Hebrew dusk to dusk count, but also because the High Day "sabbath" count, followed by a work day, followed by the 7<sup>th</sup> day Sabbath, causes the women to arrive at the tomb after the resurrection. Whereas had they arrived earlier they would have only found a corpse.

A complete chart detailing these events is supplied on the following page.
