*1 There are a total of 24 priestly courses that the priests are divided up into and beginning the 1st Sabbath following Shimini Atzeret (the 8th day following the 7th day of Sukkot). Each course is 8 days in duration (going from Sabbath to Sabbath), and is served in twice per year by the priests. This covers 48 weeks out of the year. In addition to this, all of the courses serve together during the 3 pilgrimage feasts of the year for a total of 52 weeks.

*2 From the time the sperm attaches to the egg to the time that the egg is actually fertilized/conceived can take up to 10 days. Zechar'yahu (Zechariah) had his vision during the 8th course (the course of Abia/Abiyah), then upon completing his course of service likely had relations with Elisheva (Elizabeth) sometime during the 9th course (M-y 26th to Jun. 2nd that year) causing Yehochanan (John) to be conceived within that 10 day time frame on Shavuot (Pentecost) occurring Jun. 3rd that year.
